The poster is a colorful collage. At the top is a vinyl record with light trails. Below it, the text 'the message' is written in a stylized font with a red outline. To the left is a yellow-tinted portrait of a man with a beard and glasses. To the right is a stylized blue face with a wide, toothy grin. The background is divided into colored blocks: blue, red, green, and white.

A collage featuring a close-up of a person's eye, looking directly at the viewer. The eye is framed by a blue, stylized letter 'A'. Overlaid on the collage is the text "KNOW" in a bold, white, sans-serif font, and "ESCAPE" in a similar font, both in white. The background of the collage is a dark, textured image, possibly a person's face or a close-up of a surface.
